

TECHNICAL INFORMATION

OEST Leichtlauföl F SAE 5W-30

High-performance easy flowing engine oil

Description:

OEST LEICHTLAUFÖL F SAE 5W-30 is a fuel-saving easy flowing engine oil, developed for the optimized supply of passenger cars and delivery vans under all operating circumstances. It is suitable as well as for Otto or for diesel engines, with or without turbo charger.

The special synthetic technology combined with particular additiv compositions offer a very high standard. This standard is shown in the significant reduction of the fuel consumption, the distinctive shear stability and the excellent protection against wear and corrosion.
